

ERSKINE LAKES AQUATIC CLUB

Erskine Lakes, Ringwood, New Jersey 07456

REGISTRATION FORM

The AQUATIC CLUB promotes competitive swimming within the Erskine-Skyline-Cupsaw lakes area. We are not a "learn to swim" program, rather we encourage development of the racing skills. Swimming is fun, exciting and rewarding with ribbons, medals and trophies, and encourages good sportsmanship. The swimmers do their part in competition, but the mechanics of a swimming team are also dependent on the parents. Adults set the example for sportsmanship, dependability, enthusiasm and hard work. As your child registers to swim you will find a variety of parent electives. Please indicate your participation interests.
